WORK EXPERIENCE

LERDAHL Business Interiors - Interior Design Assistant
Middleton, WI (May 2022 - Present)

Produced floor plans, furniture plans, and renderings using programs such as CET and AutoCAD.

Contacted product reps to discuss lead times, quotes, and product availability.

Assisted the design team and other colleagues with any and all tasks to help them to be more productive in their roles.

Ganser Construction Inc - Design & Selection Intern
Prairie du Sac, WI (May-August 2021, May-September 2022)

Formulated collections of products for client review and advised the clients' design selections.

Developed an online system to enhance the company's and client's scheduling capabilities.

Created flyers and social media posts to advertise the company, its current/upcoming projects, and to bring in new clients.

Assisted in making design decisions for model homes.

UW School of Education - Multimedia Design Student Intern
Madison, WI (January - May 2022)

Created original designs while maintaining the brand of School of Education and UW-Madison.

Digitally designed marketing materials and illustrations, as well as doing photo editing/retouching.

Consistently maintained an open line of communication with the design team and other members in the office to ensure projects were completed on a strict timeline.
